#### **New Business Spotlight** **Home Dialysis Services**

Home Dialysis Services (HDS) is opening their first Pennsylvania location in Hershey! The Chicago, IL based company offers home dialysis for patients with End Stage Renal Disease. These patients would normally receive dialysis three times a week for several hours at an in-center treatment facility. With home dialysis, they dialyze in the comfort of home for shorter amounts of time, giving them the ability to continue to work, travel, go on vacation, take care of many day-to-day responsibilities, and have a more normal lifestyle.

Economic Development Manager, Lauren Zumbrun, pictured far right, commemorated the opening with HDS at a ribbon cutting ceremony held on October 22nd. The business is located at 555 East Chocolate Avenue, Suite 102. Learn more at [www.HDSdialysis.com](http://www.HDSdialysis.com).
